Summer 2024

PROGRAM HIGHLIGHTS

During the 2023 – 24 season, Alumni members all over the country got together and did what they love to do – ski, teach and celebrate.

At Powderfall, more than 50 alumni joined tours of Vail Mountain organized by Jim Margolis and Dan Dalquist. The team from Vail Mountain's Legacy Tours provided outstanding guides and hosted groups at Vail's Legacy Hut, which celebrates the mountain's history.

In the Far West division, Drew Oliphant, Ron Evenson, and Mark and Patty Giebel hosted several successful Alumni ski days all over California. Patty Giebel was recognized as the Outstanding Alumni in the Southern California.

In the Pacific Northwest, Josie Elting and Matthew Otonicar shared information about the Alumni program as part of the division's Safety Culture for All workshop.

In the Eastern Division, alumni joined a robust group for an Alumni and Patroller celebration at Mount Snow in February. The event included a tour of the summit patrol station and the opportunity to meet current and former NSP board members. Thank you to Alan Miller, Eastern Division Alumni Advisor, Doug Reddy and the many other alumni who made the event a huge success.

In the Northern Division, alumni again gathered for what is now an annual event at Grouse Mountain Lodge in Whitefish, Montana.

Stay involved in 2025

Join the Alumni and Patroller Celebration, Whitefish Mountain Resort, Feb. 23 – Mar. 1

Lodging is available at the Grouse Mountain Lodge for only \$99/ night, and day tickets for seniors are less than \$40/ day. The week will include a side trip to nearby Glacier National Park and opportunities to dine out with old and new Alumni friends. For information, contact Tim Viall, tviall@msn.com.

More information to come about another Eastern Division event and other gatherings around the country.

Contact your former patrol

If you have recently moved from active patroller to alumni status, reach out to your old patrol and ask to be included in relevant communications. You spent years building friendships with your former patrol members and hours working on programs at your ski resort; let them know you want an ongoing connection! And if you would like to continue with active involvement, such as assisting with record keeping, newsletters, training and mentoring, let your old patrol know of your interest.

Spread the word

If you know of former patrollers who would like to stay connected to NSP, encourage them to join the Alumni program by forwarding this newsletter.

Reach out

If you have questions or ideas about what is happening in your area, contact your division's Alumni Advisor. You can find an updated list on the Committee Directory page (from the Resources menu) at nsp.org.

Reminders: Keep your membership current

Happy Summer! Thank you to the 5,200 of you who have kept your membership up-

to-date! You can continue to enjoy the many benefits of your membership, including the NSP store, Pro Deals, access to NSP courses, and most importantly, your connection to fellow Alumni members and your former patrol. If you are NOT up-to-date with your membership, don't delay and renew today! Remember that to keep your original Join Date and preserve your consecutive years of membership, you can only fall behind by one year.

You can pay your dues

- **By credit card from your NSP profile.**
- **By check -- please be sure to include your member number in the memo line of your check.**

If you have not already paid your 2024 dues, do so before June 30 to avoid a late fee. For the 2025 season, beginning on July 1, Alumni dues will be \$60.

Keep your profile up-to-date

Sign in to NSP.org and check your profile information to make sure it is accurate and up-to-date. Check your email, street address and phone number. Making sure your birthdate is accurate is also important. Please also check on your former patrol information to make sure it is accurate. If it is not, please email memberservices@nsp.org to correct it. This information helps NSP reach out to you, and it also helps the organization understand who its members are and serve them better.

From National Alumni Advisor Dan Dalquist

I am just completing my first year as National Alumni Program Advisor. I've enjoyed working with the Division Alumni Advisors and with Cheri Overton in the national office. I've also enjoyed working on behalf of all of you. Please keep in touch -- you can reach me at alumni@nsp.serves.org.
